Voters sitting this one out

Voters delight in confounding the pollsters, but they seem to be confirming the expectations of election watchers--who predicted very light turnout for this year's primary election and Jobs Bond referendum.

By mid-afternoon Tuesday, officials in the smaller local towns were reporting a very slow turnout. Only in Bethel, where town elections are also on the ballot, were voters showing up in larger than expected numbers.

The Citizen goes to press before the polls close on Tuesday evening, but the latest local election results will be available in Wednesday's edition of our daily affiliate, The Lewiston Sun-Journal.

Bethel Town Meeting tonight

By MICHAEL DANIELS

At their annual Town Meeting tonight, (Wednesday) Bethel voters will be asked to approve a municipal budget of \$1,111,692, down \$20,203 from the current year's budget, and they will once again take up proposed amendments to the town's sewer use ordinance.

Last year only 78 voters--or fewer than one in 20 eligible voters--turned out for the annual meeting.

This year's town spending package appears unlikely to spark heated debate. Not only has the request been cut by more than \$20,000, but it contains no major equipment purchases, other than the replacement of the current police cruiser.

And--in a show of agreement unprecedented in recent years--both the town's selectmen and its budget committee have concurred on each item of the budget.

Town's budget down; sewer reg changes go back to voters

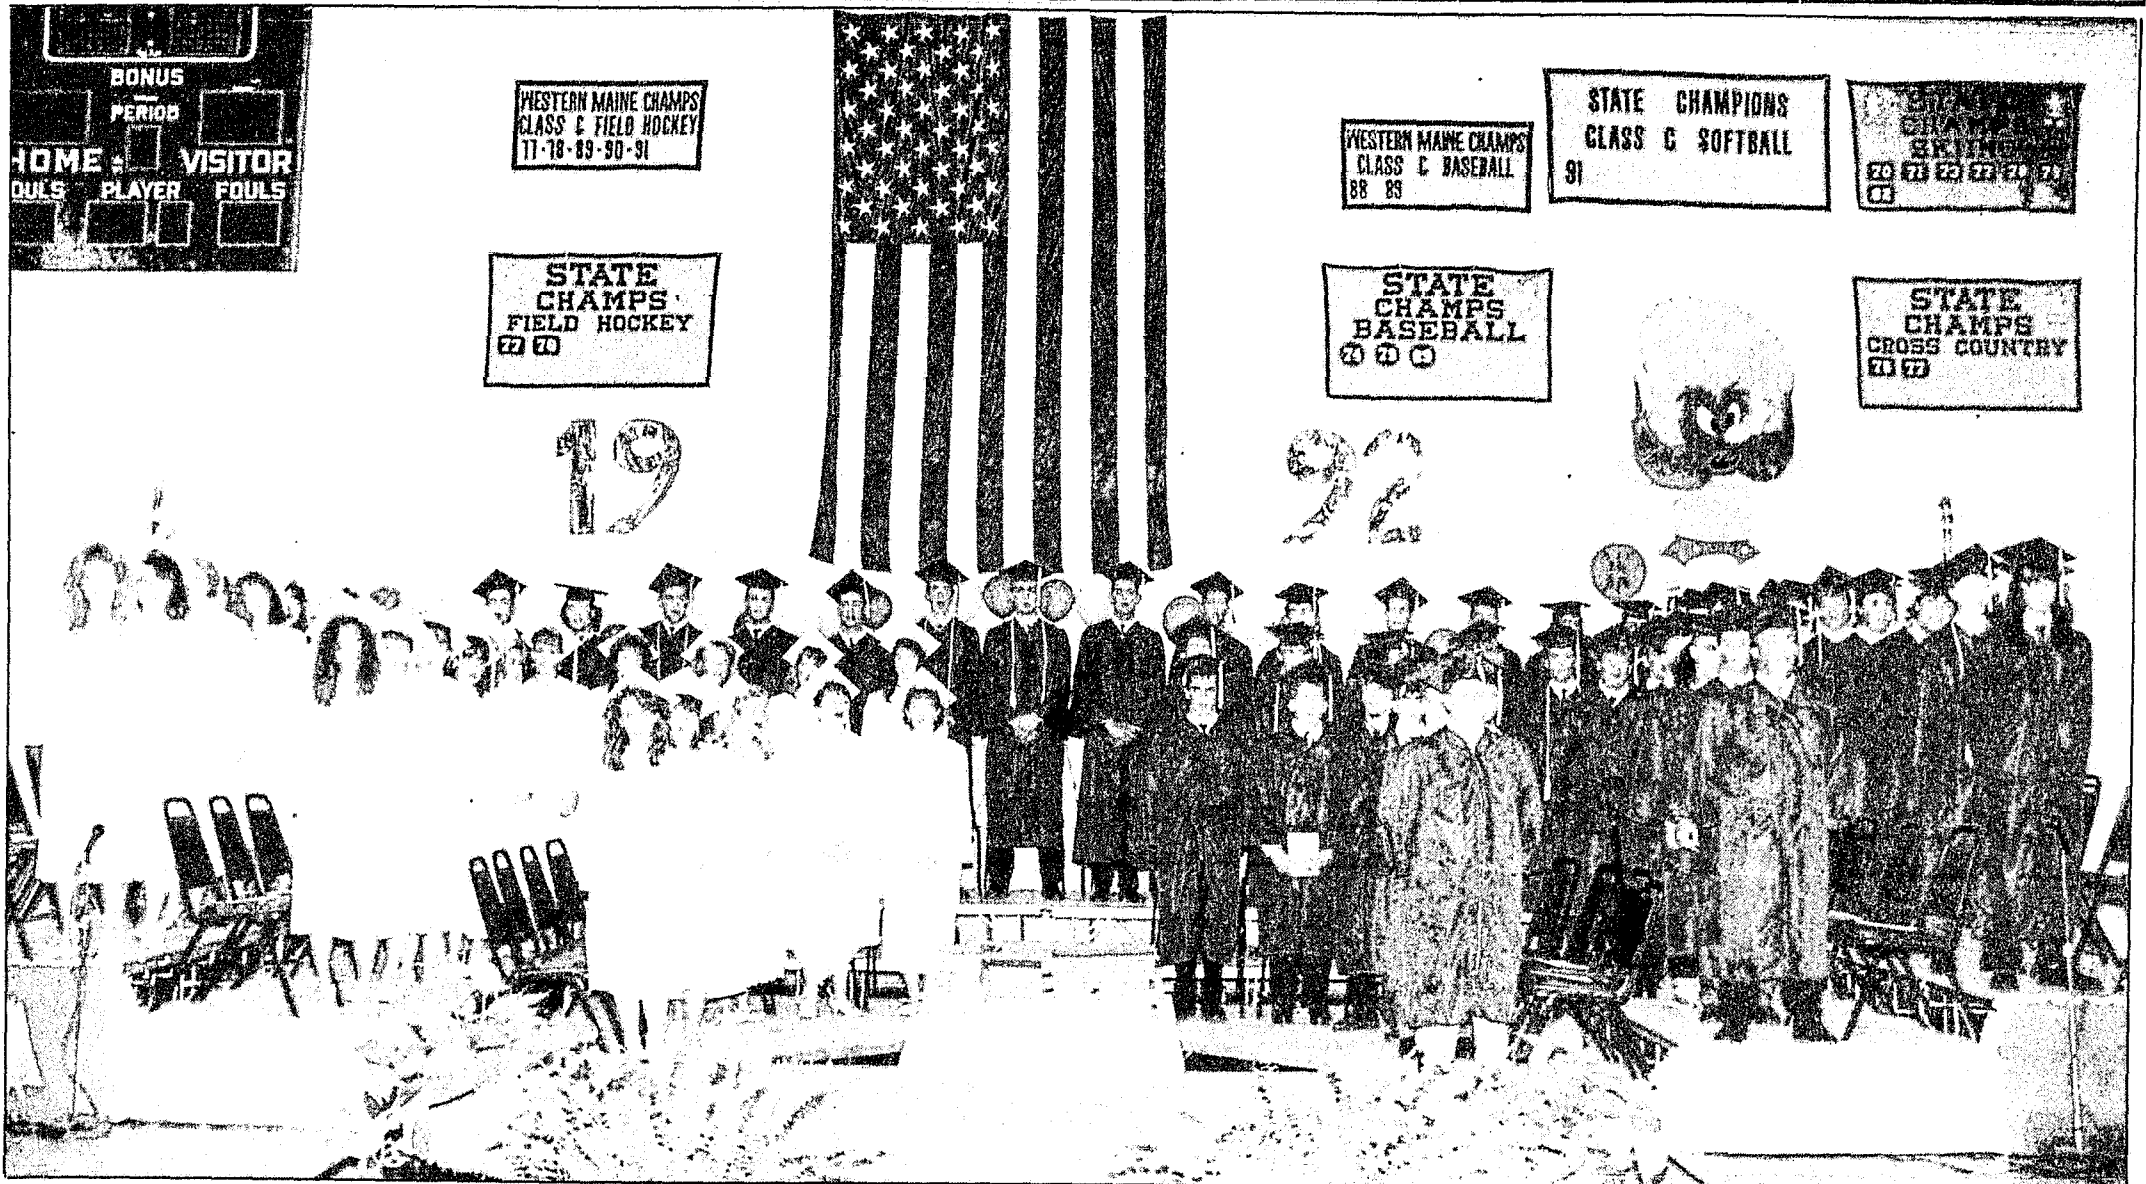

If voters tonight do approve the budget as presented, the decrease in municipal spending will not be reflected in lower tax bills. The money will instead be used to offset an anticipated loss of \$20,085 in state revenue-sharing income.

In order to achieve the \$20,203 in savings, the selectmen and budget committee agreed not to fill an opening on the highway department, and to cut \$10,000 from the police department's reserve officer account.

They also agreed to cut 10 percent across the board in town funding of various social service agencies.

The police reserve account reduced.

Telstar grads urged to seek their own path

By WENDY HANSCOM

Over 1,200 joyful family members, friends and teachers filled the Telstar gymnasium Friday to celebrate the graduation of the class of 1991.

Valedictorian Solai Buchanan challenged the 70 graduates to search for happiness and their place in life.

"We saw high school as a stairway," she said, "with each step a goal to be accomplished. Now that we have reached the final step, we find that what we thought would be a passageway with walls and ceilings is really a tapestry--illustrating the vastness of the world around us."

"Don't fall into the trap of self-pity, claiming to be a victim of circumstances," Solai urged her classmates. "Each of us as the power to achieve self happiness. Be aware and open to change, willing to take risks. Detach yourself from what does not matter. Change does not require great leaps, but small steps."

Salutatorian Bridget Remington told the class of 1991 that for the most part, the world would be indifferent to their achievements from here on out.

"Many of us have lived as if struggling toward a deadline, struggling

for achievement," Bridget said. "Success is not measured in audience applause. In a world where society is indifferent to individual achievement, we must learn self-satisfaction."

"We must learn to value ourselves from a different perspective," Bridget emphasized. "We must measure our success from within, instead of by society's standards. A

State admits to tree growth refund SNAFU

By MARK SHANAHAN

A state tax administrator told several local officials last week that his agency was "lax" in not telling towns about the status of their tree growth reimbursement payments. Tax officials will do better, he promised.

Meeting Tuesday with town officials and legislators, a representative of the state Bureau of Taxation pledged to improve the level of communication between the agency and the municipalities it serves.

Tom Walker, the supervisor of Municipal Services for the agency's Property Tax Division, admitted that the bureau was lax when it failed to notify more than 100 Maine towns of the status of their tree growth tax reimbursement payments.

Tuesday's meeting, convened at the request of Bethel Town Clerk Merton Brown and attended by officials from the Towns of Bethel, Byron, Newry and Upton, was the result of a recent flap over state tree growth reimbursements for 115 towns that filed their Municipal Valuation returns after the Nov. 1 deadline.

Before the legislature reinstated.

Rebels ousted from title chase

By WENDY HANSCOM

Telstar High School's hopes for a back-to-back State Class C softball championships were dashed Monday by a powerful Madison High School squad.

Madison, which competed in Class B until this year, overwhelmed Telstar 7 to 1 in Monday's Western Maine semifinal. The win completed the Bulldogs' sweep of the Rebels this season. Two weeks ago Madison beat Telstar 9-5 to take the Mountain Valley Conference championship.

In Monday's game, the Rebels' bats were cold and they made four errors, which Madison took full advantage of.

The game went sour from the start. With two outs and two runners on in the bottom of the first, Bulldog pitcher Andrea Heald belted a just-fair double down the right field line, scoring two runners. A Rebel overthrown to third allowed Heald to score for a 3-0 Madison lead.

The Rebels threatened briefly in the third. With two outs, Kangas

drew a base on balls, Jen Bailey took first after hitting the Bulldog pitcher with a line drive, and Dani Bernier loaded up the bases by drawing a walk.

But the Rebels were unable to convert as Noelle Gauthier struck out for the final out.

Madison scored again on an error in the bottom of the third to make it 4-0.

The Rebels got their only run in the fifth. Shilo Hutchins drew a walk, took second on Amy Hannon's bunt, and third on a passed ball. Bailey singled Hutchins in. The Rebels managed to load the bases up with two out, but failed to capitalize.

The Bulldogs offense came to life again in the bottom of the fifth scoring three runs on an RBI single. A wild pitch and a ground ball out produced two more runs and gave the Bulldogs the 7-1 lead they would carry to the game's conclusion.

"We didn't play well," said Telstar Coach Jim Lunney, "and we didn't

See REBEL SOFTBALL, page 7

LAST HOPE OF THE SEASON DIES ON FIRST--Telstar High School baserunner Dani Bernier was Rebels' last hope for a rally in Monday's Western Maine Class C semifinals, but got no farther than first base. Telstar lost the semifinal game 7-1 to Madison. Catcher Bernier will probably be back next year to try for another state title, as will pitcher Stacie Kangas, first baseman Pam Bennett and outfielders Noelle Gauthier and Jen Percival. The Rebels will lose seniors Jen Bailey at short, Dawn Davis at second, Shilo Hutchins at third and Amy Hannon in center.

WE NEED ANOTHER WAY

To the Editor:

Having attended the S.A.D. #44 District Meeting, I, like many others, came away disappointed. The anger and frustration shown by both sides will not help education. We need radical changes in our educational system that will only come through interest, cooperation, and a sharing of ideas, hardened positions will not accomplish the goals we all seek.

First, the moderator was in error over the question of voting on an article by secret ballot. There should not have been a yes/no vote on that point. State law regarding school district meetings reads as follows: "Secret ballot. An article shall be voted on by secret ballot if 10 percent of those present and voting vote to have a secret ballot." (Section 1304, MSRA Title 20-A, paragraph 6). Unfortunately a copy of the regulations was not present and even if a secret ballot had been held, I doubt that the results would have been different. Closer perhaps, but not different. As Pat Doon stated you need to be organized to overcome a "stacked deck."

Second, there is an alternative to the District Meeting which could involve many more people. That is to have districtwide voting in all five towns on the school budget, MSRA Title 20-A, Section 1305 allows for alternative voting procedures. If requested by a written petition of at least 10 percent of the number of voters voting in the last gubernatorial election in the municipalities within the district, the board of directors shall cause the following article to be voted on by the voters of the member municipalities.

"Shall School Administrative District No. 44 (example) require that the voting at future district budget meetings and special district budget meetings be done by referendum within each member municipality of the district instead of using the district meeting procedure? Yes No"

If this were to pass, more citizens could be involved and the board would have to make sure that they prepare the best budget taking into consideration expenses as well as economic conditions.

It would not, however, solve the contract negotiations/budget approval problem that was the crux of the discussion at the budget meeting. If a budget is approved before negotiations then the union will settle for nothing less than the amount offered in the budget or it might negotiate for raises at the expense of people and programs.

If negotiations are held before the budget approval, I doubt that the union will negotiate a flexible agreement allowing for changes that might be accepted in the final budget. Two problems that make this type of agreement impossible are tenure and the automatic step increase type of contract that precludes dividing an amount of available dollars on merit.

In any event, the school's long-standing problems that need to be understood by all. We must all be willing to serve our school system and its directors. Visit your school next year and talk to those directly involved. Your problems are their problems. Your involvement will be appreciated.

NO "HOSTILITIES"

To the Editor:

Please allow me to clarify a quotation attributed to me in the June 2 edition of the Lewiston Sun Journal, page 9, in which it was stated that I commended Eric Paul on pursuing a rental agreement despite the "hostilities" of some Bethel residents.

Regrettably, the quotation attributed to me is both erroneous and out of context. In the first place, my congratulations were directed not to Eric Paul, but to the members of the Airport Industrial Park Committee. I expressed my gratitude for the high degree of community spirit and energy in which they engaged in the disposition of the GAMM II building. I noted that this was a project undertaken on a volunteer basis by the members of the committee, under strong opposition from a portion of the Bethel community. It is indisputable that such opposition existed, as evidenced by the petition drive that resulted in the special town meeting of April 8, 1992. At no time did I make any statement that could be construed as indicating hostility on the part of anyone towards Eric Paul's occupancy of the building. Quite to the contrary, the majority of comments I have received since the disclosure of Mr. Paul's lease with the town have been favorable, and have wished Mr. Paul success in his future endeavors and in his goal of providing employment for citizens of the Bethel area.

After re-reading the article in the Sun Journal, I can understand how some may have misinterpreted the comments attributed to me. Having successfully resolved the issue of occupancy of the GAMM II building, reopening old wounds and fighting old battles is the last thing that I want to have happen at this stage. My comments at the June 1 selectmen's meeting were simply intended to express gratitude and appreciation for all those who undertook the resolution of the GAMM II building issue, despite opposition from some, but with the support of many.

CPS ADDITION

To the Editor:

I am writing to strongly encourage SAD #44 voters to attend one of the informational hearings on the proposed Crescent Park School addition. The meetings are co-sponsored by the CPS P.T.A. and the SAD #44 Buildings and Grounds Committee. I believe that these sessions will provide the information needed for voters to make an informed choice in August.

As a parent, educator, and member of the newly formed P.T.A., I enthusiastically support the proposed addition. Although I know that it cannot be accomplished without sacrifice, in these or any other times, this project is addressing a need that truly cannot go unmet.

TRACK BOOSTERS

To the Editor:

On Wednesday, June 10 at 7 p.m. in the Telstar Lecture Hall there will be an organizational meeting to start raising funds for a track on the Telstar complex. This will be used by the track teams at Telstar and the SAD #44 community.

The track team for the high school has averaged about 40 to 50 students for the past three years, and the middle school has had approximately 50 students who participate each year. They practice in the parking lots at Telstar and run on Route 26. This is not the same as practicing on a track.

The Boosters Club has about 10 members and we alone cannot do this. We need parents, community people and anyone else who is interested in helping us make this project a reality.

If you are interested in helping us and cannot make the meeting on

FROM THE Bethel Town Office

I want to extend a warm and grateful pat on the back to the Bethel Garden Club for the wonderful flower bed in the island at the top of Main Street. Your donation of time and money is greatly appreciated. And your patience is to be commended.

A recent community project funded by the Bethel Rotary Club was the replacement of the iron fence around the Civil War monument on the intersection of Main, High and Mechanic Streets. This, too, is greatly appreciated. Many have stopped in to remark on how nice it looked, especially on Memorial Day.

As you all know, Town Meeting is at the Helen Berry Auditorium at Telstar High School tonight at 7 p.m. A review of the Warrant for the meeting will show that the board of selectmen and the budget committee agree on the proposed budget figures for fiscal year 1993.

Both the board and the committee began their budget sessions with two goals. Absorbing this year's reduction of municipal revenue sharing and keeping the municipal budget flat. The loss of \$21,000 in municipal revenue sharing was aggravated by the unavoidable increases in solid waste management and debt service. Even so, the total recommended fiscal year 1993 budget is \$21,213 lower than the current year budget. The only capital expenditure is the scheduled purchase of a new police cruiser.

The board and committee members are to be commended for their work on the fiscal year 1993 budget. The decisions to cut were very difficult and no doubt will cause some heartache in the year to come. I would like to echo one budget committee member's sentiments about cutting services necessitating an increased commitment from citizens to open their hearts and hands to help each other through the hard times. When government can't provide, volunteers must.

You will also find two amendments to the Sewer Use Ordinance. Both of these amendments had been included in the revised ordinance of last year, which was rejected.

Article 24 does four things, two of which are clarifications only. First, a definition is added for water consumption period. Second, and more importantly, it gives the selectmen authority to refund the Sewer System Development Charge under special circumstances. Third, it provides formal protection for the rate payers of the system against claims for damages for back ups, similar to the protection the water district customers enjoy. Finally, it clarifies

BRAVO, KIDS

To the Editor:

On Tuesday, June 2, we attended the Telstar Middle School Drama production of "Charlie and the Chocolate Factory." It was a very entertaining and enjoyable evening and we want to commend all of the students who were involved.

Under the guidance of coaches Elaine Hutchins and Macky Chapman, these young people created props, scenery, and costumes, in addition to learning their lines—which were delivered loud and clear to the audience. This imaginative and talented group put a great deal of time and hard work into making their play a success and they should be very proud of themselves.

Our congratulations to all the young actors and actresses on a great job, and thank you to the coaches for all of their time and patience. We look forward to your next production.

the language in several places of when a Sewer Connection Permit is required.

Article 25 changes the billing system to a simple fee based on the previous quarter's water consumption. Currently each quarterly bill is one fourth of the previous year's usage. While the new method is less complex, it should be noted that those users who fluctuate around the minimum will pay more than they do now. This is because the averaging of a year's use over four quarters provides a buffer for them. Those who use consistently more than minimum or less than the minimum will not be affected. Article 25 includes language that provides that for the first year after adoption, the higher of the two methods will apply.

The warrant also includes two arti-

cles concerning donated land, although one was added after the Town report was submitted to the printer so does not appear on that Warrant. The land donations are from L.E. Davis, a property next to the mill site, and from Gould Academy, a piece abutting the parking lot behind the fire station.

Finally, the Warrant includes action allowing the selectmen to accept any funds resulting from the Jobs Bond, which will be voted on June 9, the day before Town Meeting.

In closing, allow me to urge you each to attend Town Meeting, and to make your wishes known. See you there.

the funds at a reduced level of 61 percent, the municipalities which filed the forms late were informed they had lost their share of the revenues.

Because of the state's continuing fiscal problems, the reimbursements, which are state funds returned to towns to compensate for property tax revenues lost when land is entered into tree growth status, were reduced from last year's level of 90 percent.

Town officials expressed concern Tuesday that they first learned of the potential loss of their reimbursement through newspaper reports.

Walker apologized for the delay and said that, in the future, his department will attempt to notify towns whose valuation returns have not been received by the Nov. 1 deadline.

Upton Tax Assessor Richard Lecomte, whose town will receive no tree growth reimbursement this year because the town's assessment

is below 70 percent of the fair market value of its property, said the relationship between the state Bureau of Taxation and the municipalities "turned to worms" after budget cuts forced the agency to reduce staffing.

"We had a good rapport with our field representative for 10 years and then nothing," Lecomte said.

Among the towns represented at Tuesday's meeting, only Upton, which has 92 percent of its property listed in tree growth, will receive no reimbursement this year.

Bruce Duguay, the tax assessor in Byron, agreed with Lecomte, saying the Bureau of Taxation had failed in its duty to explain to municipalities the nuances of the tree growth program.

"I don't want any sympathy, but we need some help. At least we need some warning in a situation like this," Duguay said.

Asked by Newry Selectman Jim Sysko if he felt the tree growth program, which was established in 1792 as "doing what it was supposed to do," Walker said strong arguments can be made for and

THIS WEEK AT THE Moses Mason House

Society Director Stanley R. Howe made a slide presentation titled "New England: Image and Icon" at the June Monthly meeting of the Bethel Historical Society held on Thursday evening. In his presentation, Dr. Howe outlined many of the common images of New England and discussed various icons associated with that region during its long history. He commented on several of the myths of the New England past and how numerous outsiders have been attracted to the region.

During the business portion of the meeting Society president Jane Hesterman presented a life membership certificate to Althea C.G. Noyes of Falmouth. She announced that the next meeting would be the annual picnic to be held on July 2 at Narramissic, a museum in South Bridgton. Anyone wishing to attend the picnic was urged to be at the Dr. Moses Mason House on July 2 at 5 p.m. Members will carpool and there will be a lead car, since the place is difficult to find.

The president announced that Brian Davis, a senior at Telstar Regional High School, was this year's winner of the Dr. Moses Mason Award for his essay on the South Bethel musician Hosea Ripley.

The "Artifact of the Month" was announced as a sampler made by Bethel women in 1888, the gift of Deborah York of Brownfield. The president announced that the fund drive for the reader printer had passed its goal and that any additional contributions received would be used for supplies for this piece of equipment, which has been ordered.

It was announced that a genealogy seminar would be held at the Dr. Moses Mason House meeting room on June 16, from 7 to 9 p.m. The speaker will be Ron Berner of Salt Lake City, Utah, who has written and lectured widely on genealogical subjects. The session is free and there will be publications available for sale.

President Hesterman also brought to the attention of those attending that the Society would be hosting a Mason family gathering on June 27, beginning at 10 a.m. Anyone with Mason genealogy was urged to attend.

tion came over the strong objections of Bethel Police Chief Dale Bellman, who argued that the cut made it impossible for the town to meet its goal of providing 365-day-a-year, 24-hour a day coverage.

The selectman, however, argued that with the return of Officer Jim Merrill from the police academy, the town would have three full-time, fully trained officers, and would thus have less need for reserves.

When Bethel officers are unavailable, the town is covered by the Oxford County Sheriff's deputies, who come from farther away and often take longer to arrive when called to an incident in Bethel.

Town officials have acknowledged response times are sometimes a problem, but they contend additional local coverage is a luxury the town cannot afford.

Bellman also requested a second cruiser for his department, but the selectmen and budget committee opted instead only to replace the current vehicle.

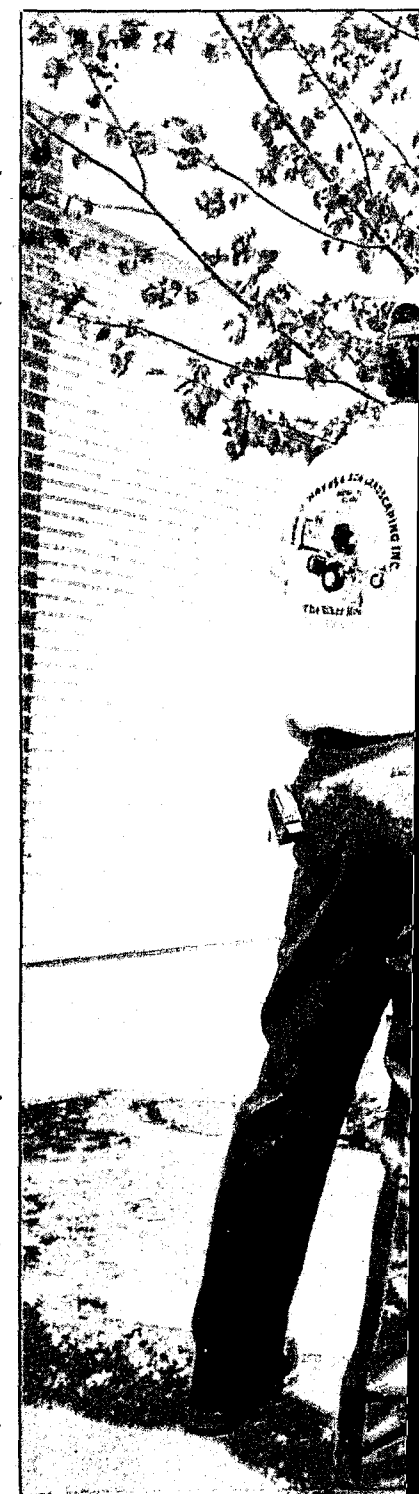

Town Manager Madeleine Henley acknowledged that the trimmed back budget will hamper the delivery of municipal services.

"There's no doubt the potholes are going to take longer to be filled," she said, "but the selectmen felt that by cutting everything back a little bit more again this year, things might not work so well, but at least there will be something to come back to when we can fully fund again."

tree growth. There are large landowners who are not paying a lot of taxes," he said, using Upton as an example. "At the same time, there is pressure for development along the shore frontage there." Following the meeting, Bethel Clerk Merton Brown said he was "satisfied" that (Walker) had the concerns of town officials. Whether Walker will, in fact, improve the communication between the Maine Bureau of Taxation and the municipalities, Brown would "have to wait and

tion came over the strong objections of Bethel Police Chief Dale Bellman, who argued that the cut made it impossible for the town to meet its goal of providing 365-day-a-year, 24-hour a day coverage.

The selectman, however, argued that with the return of Officer Jim Merrill from the police academy, the town would have three full-time, fully trained officers, and would thus have less need for reserves.

When Bethel officers are unavailable, the town is covered by the Oxford County Sheriff's deputies, who come from farther away and often take longer to arrive when called to an incident in Bethel.

Town officials have acknowledged response times are sometimes a problem, but they contend additional local coverage is a luxury the town cannot afford.

Bellman also requested a second cruiser for his department, but the selectmen and budget committee opted instead only to replace the current vehicle.

Town Manager Madeleine Henley acknowledged that the trimmed back budget will hamper the delivery of municipal services.

"There's no doubt the potholes are going to take longer to be filled," she said, "but the selectmen felt that by cutting everything back a little bit more again this year, things might not work so well, but at least there will be something to come back to when we can fully fund again."

Some expenses up

Despite the budget cutting, not all of this year's budget categories will be dropping.

The solid waste management ac-

count will increase by \$49,340, in order to cover the cost of closing the landfill and opening a transfer station.

And debt service will go up by \$20,000, in large part to cover borrowing associated with last summer's first phase of the Downtown Revitalization Project.

Sewer rules changes

At last year's town meeting, voters turned down proposed amendments to the town's sewer use regulations. It was not so much the amendments themselves (which generally lightened the regulatory burden) that voters objected to, but rather the ordinance itself.

This year the selectmen (who also serve as sewer commissioners) have come back to the voters with a simplified set of changes—which they hope voters will find more palatable.

The proposed changes include giving the selectmen the authority to refund a Sewer System Development Charge (SSDC) under certain circumstances, absolving the town from responsibility for backsurge damage to a property unless the property owner has installed a backflow valve, changing the billing schedule to quarterly (and basing each payment on the previous quarter's use) and allowing the sewer commissioners to take into account current usage when calculating the SSDC for new construction, renovations, and changed or expanded use.

At a public hearing earlier this year on the proposed changes, only two people showed up. Neither objected to any of the changes and both strongly supported the billing schedule changes—even though Town Manager Madeleine Henley warned that in some cases the new schedule will mean that users who fluctuate around the minimum could

end up paying more.

More recently, however, Robert Saunders has raised questions about the proposed SSDC fee schedule.

Saunders contends the new fee structure could "more than double" the amount some users would be charged for renovations and that it serves to discourage water conservation.

Sewer fees are calculated on the volume of water coming into a location. In calculating the new SSDC, current usage would be subtracted from the state's specified flows for the type of new use.

Consequently, Saunders said, if any future changes in use of a property were contemplated, it would make no sense to conserve water, since that would only serve to increase SSDC—which would be based on the difference between the actual use and the state standard.

Saunders also objected to the requirement that individual homeowners be responsible for installing back-flow valves. Such devices make sense on new construction, he acknowledged, but the expense of installing them in all existing buildings in town would far outstrip the savings to the town in paying for a few backsurge incidents.

Jobs and Land

Voters will also be asked tonight to authorize the selectmen to accept funds from the state in the event voters statewide go along with the \$79 million Jobs Bond proposal.

The town has applied for \$355,500 in Job Bond funds, which it would use to complete the final phases of the Downtown Revitalization Project.

And it has applied for an additional \$99,000 in funds to be used for the construction of a salt/sand shed, setting up a transfer station and establishing a recreational area

on land L. E. Davis Co. has offered to donate to the town.

Voters will also be asked tonight to accept Davis' donation, a 1.5-acre parcel located just west of where the Alder River flows into the Androscoggin River; and to accept a donation from Gould Academy for a 20-by-100 foot parcel located along Mill Hill Road behind the fire station—where the town is considering expanding a parking lot.

Tonight's meeting will begin at 7 p.m. in the Telstar High School auditorium.

From the Bethel Police log:

Albany man summonsed for marijuana possession

Bethel police helped state police investigate a report of suspicious activity on Lover's Lane last Wednesday night, which resulted in an Albany man being summonsed for possession of marijuana.

State trooper Donald Shead requested that Bethel police back him up at the construction site near the intersection of routes 5 and 2.

Officer Darren Tripp arrived on the scene before the trooper. He then held Jodie Gaudreau and Thomas Robinson, both of Albany, until Shead arrived to question them.

The trooper searched Robinson's vehicle and found what police describe as a "usable amount" of marijuana.

Robinson was summonsed for possession of less than one-and-a-quarter ounces of marijuana.

Bethel police are also investigating a burglary at Brown's Mobile Station on Route 2.

Brown's employee Scott Keikkinen reported that sometime between 11 p.m. Saturday night and 5:30 Sunday morning someone broke into the store and stole two 12-packs of beer.

Officer James Merrill investigated and determined that someone had forced the front door open to get in.

He estimated that \$40 worth of damage was done to the building. The beer was valued at \$22.

In other police news last week, while patrolling early Sunday morning, Officer Tripp discovered water running over the Grover Hill Road about a mile-and-a-half from Route 5.

Tripp noted in his report that a beaver had blocked a culvert, which diverted water onto the road. Tripp tried to clear the culvert, but was unsuccessful. He placed barricades to warn of the driving hazard and notified the Warden's Service of the beaver's activities.

A Sudbury Village resident reported Thursday that during the night someone had used a BB-gun to break one of the complex's outside lights.

Police assured the caller they would patrol the area as often as possible.

Thursday evening, a Gilead women reported hearing glass breaking and seeing a group of juveniles at the Gilead campground. Bethel police responded at the request of the Oxford County Sheriff's Office.

When Officer Tripp arrived, he found a window had been broken at the campground's garage. Five or six unidentified juveniles were reported to have been seen running from the scene.

Tripp and two OCSO deputies searched the immediate area but found no suspects.

THE GREENING OF BETHEL—The Bethel Tree and Beautification Committee is overseeing the planting of nine little leaf linden trees along Main Street in Bethel. Four of the trees will go along the west side of the street, and will have iron guard rails, while the remaining trees will go on the east side and will be guardless. The new trees have been paid for by a federal grant and by a nurseryman's guarantee on an earlier, ill-fated planting of sterile pear trees. Committee chair Eric Schwarz said the linden—the eponymous flora of the famous avenue Unter den Linden in Berlin—are noted for their hardiness in paved environments. Left, a worker from George O. Hayes & Sons Landscaping prepares to plant a tree in front of the IGA, while Schwarz, Pat Gallant and Richard Duka of Hanover Ironworks ready one of the new tree guards. In other greening above, Lucia Schwarz, left, Amy Davis and Carol Nielsen of the Bethel Garden Group prepare to plant annuals on the island at the head of Main Street. This first planting included Dusty Miller, salvia and begonia. The volunteer gardeners will maintain the flowers and add fresh ones in the fall. (Photo by Michael Daniels)

North Paris

By DORIS C. LAWRENCE

Saturday, May 30 we had a good crowd at our first supper at North Paris Community Hall. After the supper Lois Ellingwood and I went to West Summer Grange Hall to the dance. A very good crowd. Music by the "Old Parisians" was just like the old home days.

Sunday, May 31 I went to a meeting at the North Woodstock Community Hall. It was voted to have the roof repaired.

Monday, June 1 Joe Vatcher took his sister, Fannie Whitten back to Mass. Then early Tuesday, June 2 he left for Nova Scotia.

Tuesday, June 2 I got Mary Smith and we went to the Senior Citizens meeting at the West Paris Congregational Mission Church. A delicious potluck dinner. Dan and Geneva Kime showed some interesting slides. It was voted to go on a trip to the Heritage House on July 7. We meet at the Baptist Church parking lot. More details later.

Thursday, June 4 I went to the doctors in Lewiston. Doris Pinkham went with me so she could drive me home. We went shopping and ate at Arby's. When we got home I helped her with some information she needed.

Beryl Oja has been up to her daughter, Bertha's in Massachusetts to help with the children who have been sick.

Andover

Make plans now to participate in Andover's first community yard sale. This event is sponsored by the Olde Home Days Committee and is scheduled for Saturday, June 20, with a raindate of Sunday, June 21. The sales will run from 9 a.m. until 4 p.m. Contact Leon Simmons at 392-4461 to reserve a space on the Common for a \$10 fee. If you wish to sell from another location, the \$5 fee will insure that your name and location will be posted on a list of participating yard sales. Non-residents may reserve a space on the Common for a \$20 fee. All proceeds will go to the Olde Home Days organization, to help defray the August event's costs.

The theme of this year's Olde Home Days celebration will be the 1950s souvenir buttons and T-shirts with a 1950 Chevy design will be on sale at the community yard sale. There will be live 50s music played on the Common on July 31 at 6:30 p.m., and a dinner with entertainment following with Joe Perham.

Saturday, Aug. 1 events begin with the parade-rescheduled to begin at 9 a.m. instead of 10 a.m., to allow for more events and activities. Also on Saturday will be the antique and classic car show, the Fireman's Muster, the chicken barbecue, sky divers, the flower show, an art display, the dance featuring the band "No Strings Attached" and many

MARY POPPINS--The Children's Dance Theater of Bethel will perform the musical version of Mary Poppins at the Helen Berry Auditorium on June 11 and 12. Over 150 adults, teens and young children will present more than two hours of pantomime, song and dance. Sets have been built and designed by local artists portraying the Banks' household, circus, sidewalk cafe, steps of the cathedral and rooftops of London. Bert will be played by Peter Lawton, left, Jane by Kimberly Tibbetts, Mary Poppins by Heather Best and Michael by Brian Zinchuk. The matinee is June 11 at 4 p.m. The evening performance is June 12 at 7 p.m.

other events.

On Sunday the Ellis River Riders will sponsor a horse show at their riding ring in South Andover.

There will be a benefit supper for Perry Burgi and family on Saturday, June 13, at the Andover school. The baked beans and casserole dinner will begin serving at 5 p.m.

The Service Circle is taking reservations for spaces on the Common from vendors and craftspeople for the Olde Home Days celebration. The club is also soliciting for their annual community calendar. Someone should contact you soon for orders. If you would like information regarding either activity, please contact Judy Michaud at 392-1221.

The town office has new hours--Tuesdays, Thursdays and Fridays, 9-2, and Wednesday afternoons, 1-6 p.m. The office will be closed on June 11 and 16 to allow Phyllis Spaulding to attend several workshops to be held in the Augusta area.

East Bethel

By NANCY H. MERCER

Alder River Grange #145 will hold a regular meeting at the Hall on June 12 at 7:30 p.m.

Congratulations to Dustin Howe, Denise Coolidge, Heidi Hinkley,

Matthew O'Meara, George Bethel, Jason Crockett, and Hannah Kimball. They are East Bethel's graduates from Telstar Regional High School.

Albert Foster has been in Stephens Memorial Hospital with fluid in his lungs. Mr. Chappie thought Albert would be home by June 5.

Floribel Haines was on the mini bus to Rumford on June 2.

The pump organs in the East Bethel Church have been fixed. One needed a tune up and the other needed extensive work done on it, but both are now working.

Alexis Grover had a birthday party at her home on June 6 to celebrate her 6th birthday.

Evelyn Tamminen of Yarmouth visited Mr. and Mrs. Rudi Honkala from May 27 to June 1. Colista Morgan had lunch with Evelyn Tamminen and the Honkals at Barjos in Norway on May 30.

Mr. and Mrs. David Tamminen of Yarmouth, Evelyn Tamminen and Mr. and Mrs. Rudi Honkala enjoyed a cookout at Moosebrook Park in Gorham, N.H. with Mr. and Mrs. Will Hastings on May 31.

Charles Haines has been working in Millinocket with the Bancroft Construction crew.

So. Woodstock

By OLIVE R. DAVIS

Joyce and Ellsworth Hathaway visited their daughter, and family, Jane and Mike Niro, Michelle and Dana in Milford, Mass. for Mike's birthday party. From there they traveled on to Williamsburg, Va. and toured colonial Williamsburg for a couple days. They also visited Petersburg, Va. and toured the Appamatox Iron Works, Siege Museum, etc. Saw lots of historical places. They arrived home Friday evening.

Steve Cantanese stayed at the Hathaway home while they were away. His children Abbey and Phil from Paris Hill stayed with him. They saw a moose that tore the fence down and let Harry Hutchinson's cows out of the field, also a coy dog in the field.

From the Historical Society we learn that the school children who visited the museum sent a thank you note to the society.

Curator Larry Billings has given the museum a book, "The Imperial Presidency," by Arthur M. Schlesinger, Jr. who won the Pulitzer Prize once.

Ruby Emery gave the Society material on genealogy.

What ails the Americans in even considering Perot our President. If he is buying his votes with half a million dollars, what will he do with our country if he is our next President? With his disregard for money and throws it around, what will happen to U.S. money--more in debt--forget him. You can't balance the debts by spending money hit or miss.

Francis Brooks gave a handsome pitcher to the Society. The Society tries to offer something for everyone, so do visit the historical museum this season.

Reports of many kinds of wildlife have been seen in my field below the road recently. Moose, coyotes, and fox have been sighted. Also, a fox was seen near the main highway. They seem to be dropping down near the main highway. I have a friendly woodchuck that stays close by and many different kinds of birds.

Dale Robbins dug out two plots next to the house and we had a pack of wild flowers roll out. I hope they grow well and blossom. A big thanks to him. I can't do the things I used to do so can't keep my flower beds booming.

Bryant Pond

By ALICE HOYT

Donations to the historical museum lately have been some miniatures and a book on the Presidency by Larry Billings, some framed labels from corn cans by Basil Sequin. He believes they were from the old corn shop in Bryant Pond. Francis Brooks gave a nice pitcher to add to the museum's collection. Some of the men are looking into work on the museum's basement. Thanks to those who have worked in the museum to get it ready for

summer. Mary Billings dusted, Robert and Paul Billings helped Francis Brooks plan some new shelves, Robert Billings hung some pictures. Several people came in to get a preview of the exhibits. Mary Billings put labels on some of the donations that came in over the winter.

Brenda Hathaway, daughter of Mr. and Mrs. Michael Hathaway received her degree in music education at U.N.H. on May 23. Attending were Mr. and Mrs. Elden Hathaway, Mr. and Mrs. Bruce Glines and Mr. and Mrs. Brian Stowell, Sarah and Rachel. Mr. and Mrs. Elden Hathaway and Sarah Stowell attended the 28th Pops concert at Kennett High in Conway, N.H. on May 26.

Saturday evening Beatrice Farnum, Alice Hoyt and Jim Hoyt attended a family get-together at Mr. and Mrs. John Chase's for Keith Stevens' birthday and welcome home for Mr. and Mrs. Richard Chase and family who are visiting his parents. Sunday Beatrice Farnum, Ken and Alice Hoyt, Jim, Maggie and Joseph joined family and friends at a graduation party for Crystal Chase at Mr. and Mrs. John Chase's.

Franklin Grange #124 met on Monday, June 1 with 38 members present. It was a Memorial program and election of officers. Guests were welcomed. The Memorial program was by Olive Risko and Joyce Hoyt. Song by all "In the Garden." Flowers were placed on the altar in memory of Roy Silver. Prayer and song by all "Abide with Me." Part 5 of Grange rededication by Joyce Hoyt. Closing thought by Olive Risko. Next meeting will be June 15 with a 6:30 supper and 3 point meeting with Oxford and Mt. Sugarloaf granges.

East Stoneham

By ELEANOR NELSON

Helen Havista from Florida is visiting her brother and wife, Walter and Carolyn Heino for a few days.

Lois and Ed Neimi were at the Doughty camp on Lake Keewaydin over the last weekend, enjoying the fine weather. Ed got some fishing in while there.

Earl and Jean Littlefield just had a new hot-top driveway put in at their new summer home on Lake Keewaydin.

Troy Nelson has been busy mowing lawns in town. I was glad to see the pretty little hummingbirds around now so got the feeder out for them.

Everett Morrison has a different car now.

Carleton Barker has been doing some bulldozing behind Gladys Kilgore's house leveling the ground.

Our sympathy is with the family of George Roundtree. He was a summer resident with camp on Lake Keewaydin and helped a lot in the church activities in town.

Everett and Rev. Janice Wilcox were in Worcester, Mass. last Monday. On Sunday, June 14 the church

school children and youth will be recognized during worship service. Following the service there will be an informal picnic. It will be kind of potluck with sandwiches, salads, and desserts.

Pilgrim Lodge applications are available. You may call Rev. Janice Wilcox for further information regarding this. Church services are at the Stoneham church during the month of June beginning at 10 a.m.

I was very surprised and pleased to get a note from our former neighbor, Marilyn Jones from Norway, with a picture of the old barn across from the Blanche McKeen place. This is a rare picture and one we wanted for a long time. Thanks, Marilyn. This is a bit of history of the town of Stoneham.

There are an awful lot of wood ticks around this year. Check your pets even if they don't go into the woods.

son, Louise Tetley, Rena Powers, Olive Anderson, and guest Betsy Clark, for their Annual Luncheon.

The Newry Church Ladies Circle met at Freda Robertson's residence for lunch Monday noon June 1. Gil Seeley opened the meeting with a reading on God's mysterious ways that brings happiness and peace into the soul of man. Secretary-treasurer Freda read the minutes of the last meeting and brought the finances up to date. A thank you letter from Polly and Jim Browne of the "New Tribes Mission" from Florida was read by Louise Tetley. Other thank you cards were also received. There will be no meeting in July. A quiz game was played during the social hour and the meeting was adjourned.

Don't forget the Mothers' Club Flea Market on the 13th at the Town Building starting at 10 a.m. Also the snowmobile lawn sale at Newry corner.

The members of the "Newry Bowling Gang" who went to the Oxford Lanes were: Karlene Bachelder, Betsy Clark, Louise Tetley, Jane Young, Olive Anderson and Gil Seeley. Rena Powers was a guest. Of the "righties" Jane was high on the triples and also high on the singles beating Louise by one. Of the "lefties" Karlene was high on the triples and tied with Betsy on the singles.

The Newry Firemen Ladies Auxiliary met June 2 at the Newry Town Building. Election of officers preceded the opening. Brenda Wight was nominated and approved to be President, Vice President, Sheila Fleet, Treasurer Nancy Wight, Secretary Karlene Bachelder and reporter Gil Seeley. It was voted to have the meetings on the second Thursday of each month at 7 p.m. at the Town Building. A motion was made to make and have a food list and emergency storage place available.

Another motion was made to have tickets printed for a \$100 food certificate at the Shop-save to be available to members etc. to sell at \$1 each or 6 tickets for \$5. The winner will be picked at the Aug. 13 meeting. A discussion followed on a tentative public supper to raise

money for the Auxiliary "coffer". More on that later. Anyone who would like to join the auxiliary is welcome to the next meeting July 9. Or any Newry family who would like to donate some money toward the project of helping the Firemen volunteer's action of probability saving your home. Please contact any of the Auxiliary officers. It would be greatly appreciated. Thank You.

A reminder to the mothers of children who are going to "Story Land". Call Lisa Vail at 824-3530 before the date of June 22, so she will know how many are going. Call before June 15 or as soon as possible.

Louise and I went to the Rumford Community Health Center to visit with Amy and Roger Hanscom last Wednesday but we made our visit short because Roger had a Church Service to conduct that afternoon. His Christian Message was on the Pentecost, celebrated 50 days after the descent of the Holy Ghost upon the Apostles, and 50 days after Easter. Sunday, June 7 is the Day it is celebrated in the Christian Churches.

P.S. On our way back home, a black bear crossed the road in front of the car on Route 26 right near Louise's home!

SHIRLEY HODSDON paints the mural on a cafeteria wall at Stephens Memorial Hospital.

Local artist's mural brightens hospital

The cafeteria at Stephens Memorial Hospital is getting a face lift. Everyone who will enjoy the mural once it is complete.

Portland School of Art student Shirley Hodsdon of Bethel has designed a nature mural for one of the cafeteria walls. She is working with hospital employees to create and then apply the design to the wall.

Through the Art in Service program of the Portland School of Art, Hodsdon proposed the idea to the hospital and offered to donate her time to create the mural.

Hodsdon has sought to actively involve hospital employees in the design and painting of the wall.

Throughout the last month, she has been in the cafeteria, interviewing employees and the medical staff, gathering input and ideas from everyone who will enjoy the mural once it is complete.

The finished mural will represent an incorporation of all the ideas gathered, and will be painted by Hodsdon and a group of volunteer employees.

The idea of painting murals like this one, on hospital walls, is not entirely new. John Feight, a well-known painter, has established a reputation for his creative designs which adorn the walls of facilities throughout the world.

Hodsdon worked with Feight last winter, when the Portland School of Art cosponsored his visit to Maine.

While he was at the school, he designed and painted murals for several Maine medical buildings.

SARAH BEAN TAPPED FOR NATIONAL HONOR SOCIETY

Sarah Bean of Otisfield has been inducted into the National Honor Society at Oxford Hills High School. The graduating senior is the daughter of Ethel Turner and the late Stephen Bean and the granddaughter of Alice Kimball of Albany.

Sarah will attend Wheelock College in Boston, where she will major in early childhood education. In addition to participating in orchestra and field hockey and ski teams, Sarah has been a volunteer at the Otisfield Community School and initiated a support group for fellow students dealing with loss. During the summer of 1990, she spent five weeks in Costa Rica as part of the International 4-H Youth Exchange program. She spent her junior year at Gould Academy where she also was involved in the Rug Rats ski program and was a volunteer in Mrs. Salway's kindergarten classroom. Since the spring term of 1991, Sarah has assisted in the Bethel swimming program at the Mollycrock pool.

Andover Alumni Association holds annual banquet

By ELLEN GREEKE

The Andover Alumni Association recently held its annual banquet and dance at the Andover Town Hall. Toastmaster Phillip Mills addressed more than 130 attendees at the banquet. Mills spoke about career opportunities in the 21st century.

Several awards were presented to Andover students for their academic achievement. For the highest rank in math, outgoing alumni association president Paula Smith presented award to senior Tom Morton and Suzanne Richardson. Assoc. treasurer Sharon Farrington presented the math award to sophomore Keith Smith and freshman Angela Szenté.

Jane Rich, representing the Friday Club presented that organization's award to students with the highest rank in English: senior Robin

Michaud, junior Jennifer Percival, sophomore Kelly Kneeland and freshman Angela Szenté.

Robin Michaud was also presented the award given by the Alumni Association to the highest rank in senior science.

Lorena Simmons presented the East Andover Community Club Award to senior Tom Morton for leadership, school activities, cooperation, character and scholarship.

The Alyson Hodsdon Memorial Award was presented by Sharon Farrington to Jen Percival, a member of the junior class with excellence in American literature.

Brian Davis was presented the Mona Roberts Memorial Award by Paula Smith for most academic achievement and effort in senior music.

The Andover Service Circle

Award was presented to senior Apryl Yates.

Incoming Alumni Association President Rick Mills presented the Ashley Roberts Memorial Award to senior David Smith for outstanding interest in forestry.

Association Vice President Belinda Poor and her husband, Peter, presented senior Howie Roberts with the Michael Marston Memorial Book Award for a senior in the NOVA, forestry, or industrial arts program.

Belinda Poor presented the book awards for scholarship faithfulness, and conduct to the following students: grade seven, Megan Meisner; grade eight, Ian Richardson; grade nine, Angela Szenté; grade 10, Kelly Kneeland; grade 11, Suzanne Richardson and grade 12, Robin Michaud.

ANDOVER ALUMNI ASSOCIATION AWARDS—The Andover Alumni Association recently presented several awards to students in grades seven through 12. Those on hand to pick up their awards were: Ian Richardson, left, Jennifer Percival, Suzanne Richardson, Angela Szenté and Keith Smith.

ADULT EDUCATION CLASS OF 1992--Front row: Melinda Lake, left, Elizabeth LaPerle, Stephanie Walley, Nicole Brooks, Michelle Powell, Rachel Curtis, Florence "Honey" Bailey and Linda Mason. Back row: James Campbell, Larry Bonney, James Richards, Frank Heath and Steven Binette.

20 graduated by Adult Education

Members of the Class of 1992 who were present for graduation were Florence Bailey of Bethel, Steven Binette of Bethel, who will be attending N.H. Vocational College in the fall, Larry Bonney of Bethel, Nicole Brooks of Locke Mills, James Campbell of Bedford, N.H., a resident of the area last winter, Rachel Curtis of Locke Mills, Frank Heath of Bethel, Melinda Lake of Bethel, who will be attending Andover College in the fall, Elizabeth LaPerle of Bethel, Lynda Mason of Locke Mills, Michelle Powell of Locke Mills, James Richards of South Woodstock, and Stephanie Walley of Bethel. Ruth Taylor of Woodstock, James Martin of Woodstock, and Robert Keoskie of Bethel have moved from the area since completing their graduation requirements and Ernest Mason of Bethel and Rebecca Lyons of Albany were unable to attend the ceremonies. Two GED recipients requested that their names be withheld.

Attending the graduation were a number of elected officials including State Senator Jeff Mills, Rep. Ida Luther, and SAD 44 board members Cheryl Eliot, Merton Brown, John Brown, Linda Saunders, Kaye McDonnell and Raymond Harrington. Music for the event was provided by Ruth Silver.

The SAD 44 Adult and community Education program held graduation ceremonies on Tuesday at the Bethel Inn Conference Center. The class of 1992 numbered 20 with 17 receiving GED diplomas from the State of Maine and three receiving Telstar High School diplomas.

Two-hundred individuals attended the event, which featured speakers, musical selections, and student awards. SAD 44 Board of Directors Chairman Margaret Hand and Vice-Chairman Alison Aloisio presented the diplomas to the graduates.

The commencement speaker for the graduation was Rodney Abbott of the Telstar High School faculty. Abbott taught adult education classes for many years both at Livermore Falls and at Telstar. His remarks praised the graduates for taking the necessary risks to return to the classroom and for the determination shown in reaching their goal. A musical selection by Dale Harvell followed the commencement speech. Harvell attended adult education classes with many of

the graduates for preparation for entering post-secondary education. Superintendent of School Dewaine B. Craig offered official congratulations to the graduates and their families.

Book awards were presented to all graduates by Adult Education staff members Merrill Bittner, Nancy Merrow and Cathy Newell. The evening concluded with remarks from the student speaker, Honey Bailey. Mrs. Bailey, who spoke without notes, impressed all present with her eloquent account of her decision to return to the classroom, a decision triggered by watching the 1991 graduation on television. She testified to the hard work and enjoyment she had experienced during her year in adult education.

Seated in the front row were two of Mrs. Bailey's grandchildren, Jeff and Jen Bailey, members of the Class of 1992 at Telstar High School.

According to Adult and Community Education Director Cathy Newell, places in the Class of 1993 are waiting for adults who are interested in working toward their high school credential through the GED or high school diploma process. Daytime classes will be held on Tuesday and Thursday mornings at the Adult Learning Center, with evening classes in English on Wednesday evenings and math and algebra on Thursday evenings. Anyone who would like further information about the program may call 824-2780.

Rebel softball

deserve to win. If you don't play well in the playoffs, you don't win. Stacie Kangas pitched a pretty good game. She allowed just five hits and struck out five, but we didn't support her in the field."

Quarterfinal victory

In earlier quarterfinal action Wednesday against Falmouth, Telstar exploded for nine runs their first time at bat, then coasted to a 10-4 win.

The Rebels posted four hits and took advantage of four Yachtsmen errors in the first inning.

Hutchins led off the bottom of the first by drawing a walk. Hannon reached base when the defense overthrew her sacrifice bunt attempt.

Kangas singled in Hutchins, and Hannon came home on Bailey's sacrifice bunt, for 2-0 lead. Bernier then singled in Kangas.

The Yachtsmen's pitcher walked Gauthier and Pam Bennett. A squeeze bunt by Dawn Davis brought Bernier in for a 4-0 lead. A Falmouth throwing error then brought Gauthier in.

With the bases loaded, Hutchins lined out in the infield for the second out of the inning. Hannon followed with a long fly ball, which the center fielder dropped, allowing all three Rebel base runners to score and increasing the lead to 8-0.

Kangas then singled for the second time in the inning and drove Hannon home for a 9-0 lead. Kangas was thrown out trying to reach third to end the inning.

Falmouth got its first run in the third and three more in the fourth.

Gauthier scored the last run of the game in the sixth, when she led off with a single, went to second on a sacrifice bunt and scored on an error.

The Rebels posted a 13-3 record for the season.

ERIKA HODGDON WINS B&L SCIENCE AWARD

Erika L. Christie of Rumford was named winner of the annual Bausch & Lomb Science Award on May 25 at Gould Academy.

The science award, a handsome bronze medal, is presented each year to winners at approximately 6,500 participating schools throughout the United States, Canada and several foreign nations. More than 380,000 medals have been awarded to outstanding science students since the program began in 1933.

According to headmaster William Clough, who presented the award, "The Bausch & Lomb Science Award is especially significant because it recognizes the junior student at our school who has attained the highest scholastic standing in science subjects."

As winner of the Award, Christie is eligible to apply to become a University of Rochester Bausch & Lomb Scholar.

With the arrival of the summer's first NTL group of the season next week, plans are underway for a reception for NTL at the Ken and Gwyneth Bohr residence Thursday, June 18, from 5:30-7 p.m. Ginger Kelly, Peggy Wight and Natalie Timberlake are heading this project.

At each NTL opening session, a community member will represent the Task Force in bringing the NTL delegates a local welcome and brief introduction to the area.

The Task Force continues to invite any interested persons to its meetings.

CHRISTIAN WOMEN UNITED

The monthly meeting of the Christian Women United will be held at the Country Way Restaurant in South Paris on June 16. The luncheon will be served at 11:30.

The speaker for the day will be Rosine Stowell Durgin, and the music will be furnished by Charlotte Littlehale of North Paris and also by Kathi Parsons of Norway.

Those who have not been contacted and would like a reservation may call Leora Whitney at 743-7221 or Pearl Anderson at 743-5724 by Friday, June 12.

FINNISH SOCIETY MEETING

The Finnish American Heritage Society of Maine will hold its monthly meeting June 14 at 2 p.m. at the Center in West Paris. The program will focus on the story of Liala Korpi of Marquette, Mich., for whom for 56 years the Soviet Union was both her home and her prison.

She was part of a large influx of American and Canadian Finns who immigrated to the Soviet Union prior to World War II. She has now returned to the United States and in her words, "I have walked out of the 18th century into the 20th. This is paradise."

Her story reflects the excitement, the fear, and the losses she experienced until Gorbachev's governmental changes in 1990 made it possible for her to leave Russia. Mrs. Korpi is a relative of Mrs. Walfred Hamari of Harrison.

Stimulant Medicines for ADHD Treatment

ADHD or attention-deficit hyperactivity disorder is a condition that affects approximately three percent of all children in the United States. According to an article in *Patient Care*, a child must display some difficulty with three dimensions of behavior in order for ADHD diagnosis to be made properly. These are hyperactivity, inattention, and impulsivity. All must be present for a minimum of six months and must have started before the child turned seven. Studies have not shown a direct relationship between hyperactivity and consumption of food additives or refined sugar. Some evidence suggests that there may be a genetic link between ADHD children and their parents. According to the *Patient Care* article, significant exposure to alcohol or cigarette smoke prior to birth may increase a child's risk for ADHD.

Stimulant medicines such as methylphenidate, dextroamphetamine, and pemoline have been used with success in many ADHD children. In some children these medicines have decreased impulsiveness and aggressiveness. Some children also have experienced an improvement in attention span, handwriting, and compliance with instructions from adults.

WOODSTOCK RESIDENTS

The Board of Selectmen are looking for people who would be interested in serving the Town on the following boards or committees:

1. Appeals Board
2. Channel IV Board of Directors
3. Noise Ordinance Committee
4. Recreation Committee

If you are interested in serving in any of these positions, please contact the Woodstock Town Office at 665-2668. Thank you.

Vern Maxfield
Town Manager

ATTENTION Greenwood Residents

The Town needs your help. Any resident interested in joining the Planning Board as a permanent or alternate member or the Board of Appeals, please call the Town Office.

Woodstock Residents We Need a LOGO!!

We are interested in having a "LOGO" designed that would appropriately represent our town. This Logo would be used on our stationery, communications, reports, etc. We are in hopes that the logo will contain features that are symbolic of Woodstock, and its attributes. For example, the new municipal complex (perhaps old & new), the public wharf, the mills, a historical aspect of town, or, well you get our drift! Entries will be accepted from Woodstock residents 16 years of age & up only, and the winning entry will be selected by the Board of Selectmen and the Town Manager on August 4, 1992. There will be a \$100 prize for the winner, with runner-up prizes as well. The Logo will become the trademark and exclusive property of the Town of Woodstock. Please submit your entries to the Woodstock Town Office on or before July 31, 1992. Have Fun!

IRS AUDITS

This article is brought to you by Jane D. Gray, CPA

Now that you've filed your tax return, you might be wondering about your chances of being audited. The good news is that, in general, your chances of being audited are under 1%. Naturally, the higher your income level, the higher your chances.

The IRS scores tax returns for audit potential based on such factors as total income, size and types of deductions, and "hot" IRS areas (tax shelters and home office expenses, for example). Returns with scores indicating a high likelihood of understated income or overstated deductions are flagged for further review.

Generally, IRS audits are targeted at one or two specific areas of your return (e.g., capital gains, rental losses, or itemized deductions). The most common type of audit is the mail audit. Usually, this type of audit results when items reported on your return do not match 1099 information forms filed with the IRS (such as interest income, dividends, capital gains, and miscellaneous income). To avoid this type of audit, report items on your return as they are reported to you on the 1099 form, if possible.

Don't combine separately reported items or amounts. Office and field audits are more complex, generally addressing such areas as rental properties and businesses.

If you are selected for an audit, give us a call. Our experience in dealing with the IRS agents and IRS procedures can make your audit response easier and more effective.

Your best weapon in an audit is adequate documentation supporting items on your return. In fact, while 1991 is still fresh, you might want to review your return. Match 1099 information returns with reported income; tie reported deductions into receipts and canceled checks. Then, file these documents with your copy of the return. If you can support every item on your return, you'll be well-prepared should the IRS call.

hosted the Sunday School picnic. Games and barbecues were enjoyed. It was a perfect day and the whole Sunday School enjoyed themselves thanks to the Howes.

On May 31 baccalaureate services were held at the Union Church. Those attending were Heather Roberts, Crystal Chase, Dustin Howe, Lawrence Grover and Scott Higgins and those were presented bibles from the church. Crystal Chase and Dustin Howe received gifts from the church for their outstanding support. Also receiving bibles but not attending were Solai Buchanan, Patrick Harrington, Casey Swan, Robert Hutson, Kemberly Kessler and Sarah Hebert.

John Mills received word Sunday that his brother Donald Mills of No. Norway had suffered a heart attack and was in the intensive care unit at Stephens Memorial Hospital. He visited him on Monday in the I.C.U. but was pleased to find he had been moved to a regular room when he went to visit Donald on Wednesday. Donald will be going to Portland for evaluation of the damage probably by the time this paper comes out but so far the doctor is very pleased with his progress.

The Greenwood Historical Society met on Wednesday as the Society building on Main Street with a small attendance. The members were shown a video on the different granges. Some were older pictures but there were also recent buildings shown, and pictures of the dances. Mary Mills and Vera Cross furnished the refreshments.

The Greenwood Fire Department held an all-day training session on Sunday, June 7 to 4 p.m. Refreshments and a noon meal were provided by the Auxiliary. The training covered S.O.P.'s and fire ground operations.

Tuesday there was a cleanout bee at the Locke Mills Church and the cupboards and closets were cleaned and rearranged.

Lorraine Mills, Katherine Stickney and Sandy Nash attended the revival services by Mark Ivey of Houlton at the First Assembly of God in Lewiston on Sunday evening and on Tuesday Lorraine and John, Craig

and Sandy and Linda Hughes attended the last services by Rev. Ivey. Although Rev. Ivey played guitar accompanied by the Lewiston Assembly of God band, Margie Keller, Mars Hill, provided special music.

The Greenwood Fire Department voted to have training followed by a business meeting at both monthly meetings, June 3 and June 17 through June, starting time is 6:30 p.m. If this is successful they may continue it. Also, there will be informational meetings on the federal and state mandatory infection control program. Members must attend at least one meeting. They will be offered Hepatitis B vaccinations which may be declined by signing a formal waiver.

On Tuesday evening, Peggy and I went to C.W.A. Night at Frederick Robie Grange in Otisfield.

Peggy's daughter and husband, the Whites from Auburn came to visit and had dinner with Peggy and myself here at my place.

Viva is now having chemo therapy and radiation. She has received many cards and appreciates them, when she is having her better days.

On our way home Saturday, we stopped in Gray to visit our aunt, Doris Hayes at her son's place.

While in Bethel on Wednesday, Mary Lovejoy visited Helena Bartlett at the Bethel House. On Thursday, Methel Belanger from Norway called on Mary Lovejoy. Friday,

Angela Alley came to spend the weekend with the Lovejoys, while Delilah Alley spent the weekend in Portland.

On Friday, Kathleen Holden, Audrey Hadley and Mary Lovejoy attended a meeting at Fryeburg Fairgrounds. Jackie Stevens and Lewis Marcotte joined them there so West Paris Grange was well represented.

Saturday, a youth group from the Mission Congregational Church held a car wash at Trap Corner.

Sunday, David Small from Kennebunkport visited with the Lovejoys.

GENEALOGY SEMINAR

A genealogy seminar featuring Ron Bremer of Salt Lake City, Utah will be sponsored by the Bethel Historical Society on Tuesday, June 16 from 7 to 9 p.m. in the meeting room of the Dr. Moses Mason House on Broad Street, Bethel.

Free of charge and open to any genealogist, beginner or advanced, the seminar is titled "The World of Genealogy." Topics to be discussed include Speeding Up Your Genealogy, Little-Known Sources, and Laws and Rules of Genealogy. There will also be a question and answer period; all those attending are encouraged to come prepared to discuss their genealogical research problems.

Born and raised in Southern California, Bremer has over 40 years of experience as a genealogist. Educated at Brigham Young University, he attended the 11th Annual Genealogical Institute sponsored by the National Archives and American University in 1961. A former research specialist for the Family History Library in Salt Lake City, he is the author of "The Compendium of Historical Sources" and "The World's Funniest Epitaphs."

Lauded as the finest genealogical speaker of his time, Bremer consistently captivates, motivates, entertains and instructs his audiences. A number of his publications will be on display during the seminar and will be available for purchase.

For further information on this seminar, please call the office of the Bethel Historical Society at 824-2908.

CARD OF THANKS

Many thanks to the hospital for all their care with a smile, and to all my relatives and many friends for flowers, gifts, phone calls and visits, who made my stay so much more pleasant and since I returned home.

GIRL SCOUT DAY CAMP

Kennebec Girl Scout Council's Telstar Day Camp will be held the week of August 3 through 7 at Black Mt. of Maine in Rumford. This camp is for registered scouts as well as non-scouts.

This year's camp theme is "World of People" and the campers will be working on projects to earn a special camp patch, culminating in a "parade of countries" on the last day. Along with this activity, there will be a scavenger hunt, hikes, song and skits performed by the girls and a special all-camp olympics.

Camp registrations are limited to 100 but there are plenty of spaces still available. Costs are \$60 for scouts, \$66 for non-scouts and registrations are open to residents of all area towns as well as those from Bryant Pond, Locke Mills, Norway, So. Paris, West Paris, and Woodstock. Financial assistance is also available on a first come-first served basis.

There are still a few staff positions available including a Red Cross certified lifeguard and a camp nurse (LPN or RN). For more information contact camp director Diane Milligan, 364-2345 or assistant camp director Dot Hostetter 364-3610.

On Monday, June 15 at 6:30 p.m. there will be a daycamp staff meeting held at Richard's Camp, Worthly Pond. Anyone interested in working at daycamp please feel free to attend.
